Section 1 – Introduction

This directory provides a list of Summit Health Plan’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers who are listed in this directory to be your **Primary Care Provider (PCP)**. The term “PCP” will be used throughout this directory. A list of network PCPs can be found in the “Primary Care Physicians & Provider” section of this directory. If you have questions about selecting a PCP or if you would like to change your PCP selection, call our Customer Service department at 1-844-827-2355 from 7 a.m. to 8 p.m. Pacific Time, seven days a week from October 1 through March 31 with the exceptions of Christmas Day and Thanksgiving Day. (After March 31, your call will be handled by our automated phone system Saturdays, Sundays and holidays). TTY users should call 711, or you can log into your member dashboard account to update your PCP online.

Generally, you must get your health care coverage from your PCP. If your PCP determines that specialty care is medically necessary, they will provide you with a referral to a specialist. Additionally, some medical services are covered only if your provider gets prior authorization (approval in advance) from our plan. Referrals and prior authorizations from your PCP are not required for emergency care or urgently needed care. There are some other kinds of care you can get without approval in advance from your PCP. Covered services that require PCP referral or prior authorization are listed in Chapter 4 of your *Evidence of Coverage* booklet.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from out-of-network providers. Other physicians/providers are available in our network. If you would like a list of providers available in other counties that are not included in this directory you can visit www.yoursummithealth.com or call our Customer Service department.

How to get care from out-of-network providers

HMO Plans:

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or certain other services as outlined in your Evidence of Coverage. If you obtain routine care from out-of-network providers, neither Medicare nor Summit Health Plan will be responsible for the costs.

HMO-POS Plans:

As a member of our plan, you may choose to receive some care from out-of-network providers through our plan’s Point-of-Service (POS) benefit. However, please note that providers who do not contract with us are under no obligation to treat you, except in emergency situations. Our plan will cover services from either network or out-of-network providers, as long as the services are covered benefits and medically necessary. However, **if you use an out-of-network provider, your share of the costs for your covered services may be higher.**

It is best to ask an out-of-network provider to bill the plan first. But, if you have already paid for the covered services, we will reimburse you for our share of the cost for covered services. Or if an out-of-network provider sends you a bill that you think we should pay, you can send it to us for payment.

Mail your request for payment together with any bills or receipts to us at this address:

Summit Health Plan, Inc.
Attn: Claims
P.O. Box 820070
Portland OR 97282

Please note: While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If the provider is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive.

What is the service area for Summit Health Medicare Advantage Plans?

The counties in our service area are listed below:

Summit Health HMO and HMO-POS: Baker, Gilliam, Grant, Harney, Lake, Malheur, Morrow, Sherman, Umatilla, Union, Wallowa, and Wheeler counties in Oregon.

If you have questions about Summit Health Medicare Advantage Plans, please call our Customer Service Department at 1-844-827-2355, from 7 a.m. to 8 p.m., Pacific Time, seven days a week from October 1 through March 31, with the exceptions of Christmas Day and Thanksgiving Day. (After March 31, your call will be handled by our automated phone system Saturdays, Sundays and holidays.) TTY users should call 711. You can also visit www.yoursummithealth.com.

How to get covered services when you have an emergency

What is a “medical emergency” and what should you do if you have one?

A “**medical emergency**” is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP.
- **As soon as possible, make sure that our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Call Summit Health Healthcare Services at 1-844-931-1778 or fax the information to 1-855-637-2666. Summit Health Healthcare Services hours of operation are from 7 a.m. to 4:30 p.m. Pacific Time, Monday through Friday. (TTY users call 711.)

What is covered if you have a medical emergency?

You may get covered emergency medical care whenever you need it. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. For more information, refer to your Evidence of Coverage.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

Please note: While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If the provider is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive.

How do you find Summit Health Plan providers in your area?

Our provider directory lists Urgent Care Centers on page 11 and Hospitals start on page 13. Primary Care Physicians & Providers are listed in alphabetical order by State, City, then Specialty and Name (see page 19 for the beginning of this section). Specialists are listed by specialty. Each Specialty then lists providers in alphabetical order by State, City, and Name (see page 74 for the beginning of this section). To find other types of providers look in the Table of Contents, then find the type of provider. For an alphabetical index of providers see page 234 for the beginning of this section.

If you have questions about Summit Health Plan or require assistance in selecting a PCP, please call our Customer Service Department at 1-844-827-2355, from 7 a.m. to 8 p.m. Pacific Time, seven days a week from October 1 through March 31 with the exceptions of Christmas Day and Thanksgiving Day. (After March 31, your call will be handled by our automated phone system Saturdays, Sundays and holidays). TTY users should call 711. You can also visit www.yoursummithealth.com.

What services will your provider need to get prior authorization from the plan?

Prior authorization is approval in advance to get services. Some in-network medical services are covered only if your provider gets prior authorization from our plan. You do not need prior authorization to obtain emergency services. Covered services that need prior authorization are listed in Chapter 4 of your Evidence of Coverage booklet.
